The Affordability Issue

5 Lots project

Start preparing now:

We can anticipate the time when applications are made available

if they have these five things ready

tax returns from last 2 years

payroll stubs

two to three months

credit reports

look at your credit report - get outstanding issues resolved as soon as possible

bank statements

six months

verifications

employment verification
award letter verification
income form
certification forms

- we can set up local workshops to prepare our applicants -
